IL TEMPO

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it: perhaps an article of a project you are working on or are interested in, how to make or play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/piece of garb that you've made, documentation on an item you've competed, a how-to on documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer; perhaps a short autobiography of your persona or how you came to figure out your persona. The list can go on for ages and is only limited by the speed at which our hands can write what our minds think.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the Current Middle Ages!

From the Chronicler

This is my last issue of *Il Tempo* as Chronicler for the Barony. As many of you know, my husband was assigned to Carlisle Barracks in Pennsylvania this past June. While I'm staying in Northern Virginia until June 2016 (so my oldest can graduate high school), I will be going back-and-forth between NoVA and PA. I'll still be lurking about (and am Autocrat for Investiture) and will see you at activities and events. I've had fun these past 3 years as Chronicler, and I'm excited for the future of *Il Tempo*. Thanks to Baron Drogo and Baroness Adina and the Baronial Officers who have given their unfailing support.

Lady Theresa O Cahir

Sewing Circle/Fiber Arts

To the populace of Ponte Alto does your erstwhile Sewing Circle hostess send greetings and information of things to come. While I will no longer be able to host the monthly Sewing Circle, Margaret (Meagan Ladd) has foolishly offered to take on the administration of the group. Both Monica Altstatt and Maria (Mary Dotson) have offered to host monthly meetings. So keep watch on the Baronial email list, Ponte Alto's Facebook group or the Sewing Circle Facebook group (<https://www.facebook.com/groups/PonteAltoSewing>) and details for the August meeting will be announced anon. I've enjoyed my time in Ponte Alto immensely, and look forward to seeing you all at future events.

In grateful service to the Dream,
~Lady Rúnfríðr Hofmansdottir

Letters of Intent for Baronage

Greetings unto The Populace of Ponte Alto, Their Highnesses of Atlantia and Their Excellencies of Ponte Alto:

We, Lord Alric the Mad and Lady Cellach Mór (Lady Kel), would like to be considered for Baronage of the Ponte Alto.

We consider ourselves Another Fine Product of Ponte Alto. Though we travel the length and breadth of the Kingdom, and regularly attend events in other kingdoms, Ponte Alto is our "home base". We view service and baronage as an opportunity to continue to support the Barony of Ponte Alto and the Kingdom of Atlantia, and draw attention to the works of its populace. We admire traditions begun in Ponte Alto and continue to ensure that all people feel welcome and supported within the Barony. We also would see the fighting continue at the tremendous level it is, and would work toward a strong Ponte Alto field presence at events.

We have sought the advice of friends, the current Baron and Baroness of Ponte Alto, other current and former territorial Barons and Baronesses and our Peers – Count Sinclair Hawkins, Countess Kari Kyst, and Maitresse Belphoebe de Givet, about this responsibility and now feel we understand the commitment required and the expectations of the office. We have their enthusiastic support.

Alric moved to Atlantia in 1997, and began fighting in Ponte Alto. He is currently a rapier and fighter armored, and a Marshal in both disciplines. He was the Ponte Alto Rapier Champion for Baron James de Biblesworth and Baroness Katharine Devereaux, as well as for Baron Marcellus Capozello di Napoli and Baroness Belphoebe de Givet. He was awarded an Onore del Ponte Nero in 2012. He is a member of the Order of the Golden Dolphin, and a Companion of the White Scarf.

Cellach has been active in SCA since meeting Alric in 2005. She is a member of the Order of the Golden Dolphin, baronial MOL for Ponte Alto, authorized in Combat Archery and Siege Weapons, and is a warranted Combat Archery Marshall. She was awarded an Onore del Ponte d'Oro in 2012. She can also be seen occasionally on the Target Archery Range. She autocrafted St. Patty's Day Bloodbath in 2013, dabbles in Arts & Sciences and is passionate about fighter support.

We understand that the strength of a barony is its populace and their commitment to the Barony and Kingdom. As representatives of the Crown it is our duty to encourage and champion that commitment. Should you select to entrust us with your lands and your populace we vow to nurture, support, and build the Barony of Ponte Alto.

YIS,

Lord Alric the Mad (OGD, OWS) and Lady Cellach Mór (OGD)

Letters of Intent for Baronage (cont.)

Unto Your Highnesses Christoph and Adelhait, and the populace of the Barony of Ponte Alto come warmest greetings from Lord Grimkirk ap Greymoor and Lady Agnete Köslin.

As time marches on from the youthful virtues of spring to the bold wars of summer, into the victory celebrations of autumn and the cloistering before winter's icy mantle falls, so too do these winds of change bring us before You now. We have weighed carefully the burdens of noblesse *oblige*, and acknowledge that to stand as landed nobility conveys considerable responsibility. Cloaked in the long shadows cast by Their Excellencies, Drogo and Adina, and the many successful reigns that have gone before, we humbly submit our names in consideration as successor candidates for the honor of serving as Baron and Baroness of our home, Ponte Alto.

In our 50 plus years of combined membership across six (6) vastly different kingdoms, we have come to understand that to hold lands in fief from the Crown is to carry the burden of Obligation. Obligations to serve and nurture those citizens and lands bestowed into one's trust. An obligation to gently cultivate acts of selfless service — both in the defense of our Kingdom, and in ways large and small that beautify and enrich the Realm and our Society. But ultimately, an obligation to acknowledge, recognize and advocate for those who also serve beyond the sight of the Crown.

To those ends, we would consider it our greatest privilege as Ponte Alto's Baron and Baroness to sustain and perpetuate the close-knit sense of 'family' that we found when first we came to Atlantia; that strength of community across our barony which made us feel instantly welcome. We believe it is through this feeling of belonging that Ponte Alto has thrived and grown, as we continue to attract and retain new citizens of all ages.

Currently, we serve the barony, kingdom and society in various roles. Grimkirk, as Knight's Marshal and at corporate as the Society's information and technology officer, and also served as event steward at four of Ponte Alto's last six events as of this writing; most recently, Spring Crown. Agnete serves both as Baronial Herald and at Kingdom as Sea Stag Herald (education). She is also routinely found greeting our guests from the entrance of every event. Supporting both the arts martial and the arts refined, Grimkirk is an accomplished combatant and acquits himself in both Armored and Rapier combat, while also pursuing many gentler arts. Agnete prefers pursuits in various fiber arts, heraldic research, and has an (as yet) unfulfilled interest in archery. Collectively, we believe our own experiences in these areas will help to inform our responsibilities as advocates of the arts and artisans of Ponte Alto.

Still, though our barony is landlocked, we seek new ways to grow our numbers. As Knight's Marshal, Grimkirk has been actively planning to take the barony's local fighter practices 'on the road', across the expansive county lands chartered to Ponte Alto in search of new communities of gentles who are not yet familiar with our Society. As we both believe this is a 'Good Plan', we would encourage continued pursuit of it from the vantage of the Baronage. We would also continue to promote an increase in the pageantry and circumstance that befits our noble kingdom, such as was presented at this Spring's Crown Tournament.

In keeping with Ponte Alto's 'High Bridge', we look forward to the opportunity to serve our barony and its people as its 'bridge' with the Kingdom of Atlantia.

In service to the Society,

Lord Grimkirk ap Greymoor, OPF, OCK, OO Lady Agnete Köslin, OO

mka John Michael Schneider mka Sue Schneider

Lord Grimkirk is a 13c Welshman, who began his days in the Barony of the Flame (Middle), and campaigned abroad as a young man to the lands of the Orient (West), Principality of Ca-lontir (Middle), Principality of Outlands (Atenveldt), and Kingdom of the Outlands, before returning and settling in the Province of Tre-Girt-Sea (First Province of the Known World). From there He then scoured the Middle Kingdom

for 25 years to find his one true love, Lady Agnete (a 13c German), impatiently waiting for him. Together, they set out to Atlantia and made Ponte Alto their new home. Active since A.S. VIII (1974) and A.S. XXXIX (2005) respectively, Grimkirk has received the Order of the Purple Fret (MK equivalent to ATL Opal), is a principal of the Middle Kingdom's Order of the Cavendish Knot (MK equivalent to ATL Sea Dragon), and Ponte Alto's Ponte d'Oro (Baronial service). Both he and Lady Agnete have received the Order of the Opal since arriving in Atlantia.

Chalice of the Sun God XII

The Labors of Hercules Saturday, October 10, 2015

In this our 12th year, we will celebrate the Labors of Hercules – all 12 of them. When Hercules awoke from his “temporary insanity,” he was shocked to find he had killed his own wife and children. As punishment, he was to serve Eurystheus for 12 years. In those 12 years, Hercules completed 12 Labors, all meant to show the world that Hercules was not truly as great as the Greek thought he was. Despite these odds, and with a little help from some friends, Hercules successfully completed these tasks and rose to become one of Greek’s greatest heroes.

Labors of Hercules

Just like the Labors of Hercules, there are many tasks that seem impossible. Yet with the help of our family and friends, there is no task that cannot be completed. As in days past, you and a few of your closest friends can compete for the glory of the Chalice of the Sun God! We will have competitions in armored, rapier, archery, A&S, and Bardic/Performance. Each competition will use pull inspiration from Hercules’s Labors. Here are a few more details:

- Armored, rapier, archery competitions will sport elements of the theme and points will be calculated for each scenario as defined at the beginning of the competitions.
- Arts & Sciences entries must correlate with the theme. Documentation is highly recommended.
- Bardic/Performance participants should prepare two pieces; one of which also must correlate with the theme.

The winner of each competition will challenge the 2014 Chalice Champion in that discipline. The winners receive bragging rights, the duty to challenge next year's winners, and of course, CHOCOLATE!

All can compete in individual disciplines and as part of a team. Teams must field a single participant in 4 of the 5 Chalice disciplines. A team may include up to 3 Youth participants. Each participant shall receive points for participation and performance (extra points are awarded for youth participation!). The team with the highest score will be declared the winner of the Chalice of the Sun God. Please see the “Team Competition Rules” link on the event website for more information about this part of the competition. For the past four years, our neighboring Barony of Stierbach has won the team competition. Will they retain the honor or be unseated by another contender?

Labor of Largess

To celebrate the fact that Hercules completed 12 Labors, feats so difficult that they seemed impossible, we set before you a secondary challenge, a feat seemingly impossible, the Labor of Largess. This challenge, should you accept it,

(continued on next page)

Chalice of the Sun God XII (cont.)

requires you to produce 12 pieces of Largess. If this task seems insurmountable to you, you are welcome to channel your inner Hercules and ask for some help! Maybe three of you can do four pieces each, maybe you know someone else who is willing to do six. Reach out to your friends and see who is willing to help!

The winner(s) will be selected by populace choice and will be given the opportunity to choose one piece of largess to keep as their own in appreciation of a job well done. Extra points will be given to any entry that incorporates the theme of the Labors of Hercules. In the case of teams, each team member will be able to choose a piece to keep.
