Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've completed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

From their Excellencies

A FINAL MESSAGE FROM THEIR EXCELLENCIES

To the Populace and associates of the Mighty Barony of Ponte Alto do Her Excellency, Baroness Cellach Mor and I, Baron Alric The Mad send greetings

As you know our time as Baron and Baroness of Ponte Alto is drawing to a close. But fear not as a Mighty Warrior from Normandy and an Intrepid Archer from the steppes of Asia will take our place and lead after we depart.

We wish to thank those of you who have recognized and supported our vision for the Barony and what we wished to accomplish. We occasionally made mis-steps and sometimes became discouraged and you set us right and lifted our hearts with your encouragement and support.

We could not do this job without the help of so many. Especially some that were newer to the Barony and who stepped up to take on small jobs to make our work easier. You all are the foundation that hold the high bridge up.

We will be forever grateful for the opportunity to serve the great Barony and its people. And we look forward to supporting Marie Therese and Naran in pursuing their vision as well as the people of Ponte Alto.

We do ask that all of you support them as you have supported us. Recognize that their way will not be as we did but their own. I have no doubt everything they do will be with good of the Barony and her people in mind.

Alric & Cellach

We really could use your help

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of us to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make your, and other's, SCA experience that much better!
