## Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

*Il Tempo* strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've completed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

- ◆ Real life has upended my life and all plans to increase the Arts and Sciences in Ponte Alto have vanished, for which I offer my sincerest apologies. Please take advantage of Scribal A&S nights hosted by Meisterin Adina and Garb Workshops hosted by Mistress Drea. Also, please take advantage of all the wonderful A&S opportunities hosted by our wonderful neighbors.
- ◆ And please consider advancing our A&S in ways I cannot by becoming the Barony's next Minister of Arts and Sciences. You will love it.

- ◆ (Henry) Discussion about loaner gear for Heavy. \$200 for a new helmet, estimated. Have a helmet in loaner gear now, but it's too small. Marie-Therese indicated there should be three in the loaner gear that need work (two of them may not be the right gauge and not big enough). Drogo can fix stuff. Henry suggested there should be at least two. One large, one small. Colette brought up budget for loaner gear for heavy. \$450 was suggested. Need to put together more detail for estimate. Colette and Henry to consult and update at the next meeting. Used helms an option, but not usually available and not large enough. (MT) Need to do a better job of getting stuff back. (MT) A molds for a plastic set of armor is in the works.

## Wild Hunt

### *The Wild Hunt is Coming!*

As the beauty of the autumn deepens, as the air cools and shadows grow longer, the Huntsman's horn sounds yet again, calling all to beware - beware or be assimilated by the Wild Hunt!

Once more, the Fey and Fell Master of the Hunt is coming to claim his lands, and attempt to capture – through challenge or games of skill or chance – all those who trespass upon his favor. Will you become another of the Master's loyal hunters? Or will you, through skill or luck, escape the clutches of the Wild Hunt?

Come join our Barony of Ponte Alto as we experience an exciting day of Fighting, Arts, Games and Challenges. Last year there was a prize for those who escaped the Hunt, but this year, there will also be a prize for the most successful Hunters, who assimilate the most people INTO the Hunt after they must join the Hunt themselves. So if you lose a challenge and join the magnificent Hunt, you may still earn renown, challenging all who still run free!

**Armored Fighting:** Stay tuned for heavy combat scenarios

**Rapier:** Stay tuned for rapier combat scenarios

**Rock-Paper-Scissors Fighting:** We mention this here, because you must be certified to fight. Each form of the game, Rock, Paper, and Scissors, must be separately certified in before you can use them against others. You'll get a card for each form you can use. Certifications will run all day at the MoL tent.

**Other challenge games include:**

Bean-bag cross-bow cornhole

Padded spear toss

The Balance Platform game

Tug-of-War

And, of course, anything else you can think of. Dancing, puns, arm wrestling, foot races, headstands: anything the challenger and challengee agree to try.

## *Wild Hunt (cont.)*

We will have a Games Tent set up with board games to relax with – and to use in Hunt challenges!

### **A&S Competitions:**

Returning this year will be the Mini-Iron A&S Challenge! You will be given a box of materials to craft into anything you desire, within a time limit.

Show off your Best Fix for a Mistake in our second competition. Bring any projects from the past or present where you really messed up, and impress us with how you tried to make it right (even if the fix didn't work)!

**Autumn Food Fight!** Bring your best cool weather cooking to add to our harvest table. We will be judging in three categories: Huntsman's Fare, Vegetables, and Desserts. Tell us how your entry fits into the category you choose. Feel free to be creative.

### **Bardic Fyt:**

It's the perfect time of year for spooky stories, especially those that tell of lucky -- or unlucky -- dealings with the Fair Folk. All who enter will be rewarded, and those who spellbind us with the most medieval of performances (no mention of the modern, no papers in hand) will gain special favor.

Merchants are very welcome, however, this is an outdoor event, and as such, all merchant spaces are outdoor spaces. Please be prepared for whatever weather we'll have, and please contact Lady Ailleann with space requirements.

If you have any questions, please contact the autocrats: Lady Ailleann O'Meighan/Meghan Sherrill (thedragonhand at gmail.com), or Marion Compton/Emily Shifflett (marion.comptonSCA at gmail.com)

## Baronial Openings!

It seems like the barony is always in need of more deputies, however our barony has two offices that will need new officers before the year is out!

Our **Exchequer's** warrant expires this fall! The Barony is in need of a new Exchequer! (*And our deputy can't step up into the role, because she's leaving the area!*)

Those who might be interested in supporting the barony in this role, will need to take the Exchequer 101 and 201 classes. They are available at University!

**This is a vital role for the barony!**

If you might be interested in taking on this challenge, or learning more, please contact our Seneschal!

Also! Rumor has it, the barony will also be needing a new **Minister of Arts and Sciences** come this fall!

A&S is an important part of the SCA, and the barony needs someone to fill those shoes!

If you might be interested in helping grow the A&S of the barony, please contact the Seneschal (or attend one of our Populace Gatherings) for more info.

## *We really could use your help*

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of us to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make your, and other's, SCA experience that much better!
